## How it works

Learn how to earn and spend time credits on Chronocademy with our easy step-by-step guide.

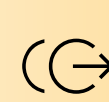

### Earn Chronos

Use some of your time to teach any of your skills to someone else and earn Chrono credits for it.

### Spend Chronos

Use your Chrono credits to learn a skill from someone else or to unlock rewards or services offered by Chronocademy.

### Buy or sell Chronos

If you do not want to teach or learn a skill, you can buy or sell Chrono credits in the platform.

## About us

Get to know us better

### Our Mission

At Chronocademy, we believe in making education accessible to everyone. Our mission is to create a global community where people can freely exchange skills, knowledge, and experiences through a unique time-based currency system called Chrono.

### Our Vision

We envision a world where learning and teaching are seamless, affordable, and rewarding for everyone. By breaking down financial barriers, we empower individuals to grow and share their expertise, fostering a culture of lifelong learning.

### Our Values

- **Accessibility:** We aim to make learning and teaching available to everyone, regardless of financial status.
- **Community:** Building strong connections between learners and teachers around the globe.
- **Innovation:** Continuously evolving our platform to meet the needs of our users.
- **Quality:** Ensuring that every learning experience is valuable and enriching.
